Dear Consultee

Establishment of proposed F2 Vehicle Change: Avanti Class 390 Reinstatement

The consultation for the Vehicle Change described above has now ended and I am pleased to advise that any objection, comment or query received has been satisfactorily resolved.

As such the change has now become an Established Vehicle Change as defined in Part F of the Network Code. The works necessary to achieve the established Vehicle Change can now be undertaken. Should there be any future variations to the established Vehicle Change, I will contact you again.

Thank you for your co-operation in processing this proposal as required under Part F of the Network Code.

Yours faithfully

Network Rail
